

DENVER COLORADO CATERING
BY CHEF DENNIS BERRY

Sample Wedding Menus

We've assembled some special wedding menus below to give you some possibilities of what can be done. Again, these are simply ideas. Your wedding is perhaps the most special day of your life, so let's work together to make your food just as special as your ceremony.

Again, there are many different styles of cuisine, preparation, and service, so this is just the beginning. Call us or send us an email and we'll get back with you promptly.

Let's make your special day delicious!
