

DENVER COLORADO CATERING
BY CHEF DENNIS BERRY

Sample Wedding Rehearsal Dinners

Well, your wedding day of course take precedence over most days in your life, but your wedding rehearsal dinner can really set the tone for the coming 24-48 hours, so it should also get some special attention.

While it does not necessarily need to be quite as extravagant, your rehearsal dinner is kind of a "meeting place" for your families... both sides. In some cases, for the first time. Tasty food definitely helps that process along which could otherwise be awkward at times. We can't promise that your families will get along and love each other, but we can promise to deliver delectable treats.

Please see the Sample Wedding Menus for ideas. They can all be scaled up or down to suit your needs, but the ideas are very similar. If you are looking for a less formal type of meal, please visit the Sample Corporate Menus or Cocktail Parties Menus. OR if you have your own ideas, please let us know and we'll work it out for you.
